

Decom North Sea Awards 2018

Sponsorship Opportunities

decomnorthsea.com

Decom North Sea

Decom North Sea is the single topic, multi region membership organisation which connects capability with opportunity across the oil and gas decommissioning sector.

As a not for profit organisation, Decom North Sea is working to enhance knowledge transfer and facilitate collaborative activities to deliver “innovative models” that minimise decommissioning costs, ensuring best value for tax payers and maximising business potential for its member companies.

Decom North Sea has grown since its inception in 2010 to more than 350 members drawn from operators, major contractors, service specialists and technology developers.

With decommissioning spend alone being forecast at an estimated £17.6 billion over the next decade (Oil & Gas UK Decommissioning Insight Report 2016), Decom North Sea play a vital role in solution development, cross sector learning and helping to build supply-chain capability. Decom North Sea work with a number of strategic partners including the Oil and Gas Authority (OGA), Department for Business, Energy & Industrial Strategy and Oil & Gas UK to achieve these objectives.

Decom North Sea Awards

The Decom North Sea Awards is the first industry awards to be dedicated to decommissioning excellence and will recognise the efforts of Decom North Sea members to innovate and collaborate within the sector.

Winners will be announced at the Decom North Sea Awards Dinner, taking place the evening of **Tuesday 22 May 2018** (the evening prior to Decom Offshore 2018), at the Aberdeen Exhibition and Conference Centre.

Sponsorship Opportunity

Decom North Sea is delighted to invite your company to become a valued sponsor of the Decom North Sea Awards 2018.

This event will provide your company with the ideal opportunity to raise your profile to key players from across the late life and decommissioning sector.
